

II. A separate research report on activities elsewhere relating to the most important plank of the program of work.

- (i) Within six months after the completion of the campaign, to make a return visit for one or two days for consultation with the manager (or secretary) and directors, if so requested.
- (j) Approximately twelve months after the conclusion of the original campaign, to provide a staff member for a period of five days to co-operate in stabilizing the organization through work on delinquents and new members and through formulation of plans and procedure for the second year based on local accomplishments in the first year.
- (k) Approximately twenty-four months after the conclusion of the original campaign, to provide a staff member for a period of three days to co-operate in the re-writing of the program of work, and to make recommendations in regard to membership, procedure and publicity of accomplishments.
- (l) Upon request to furnish to the organization research reports similar to that provided for in section (h), paragraph II, two additional during the first year, three during the second year, and three during the third year.
- (m) To advise the manager (or secretary) and directors at any time by correspondence on questions not requiring special investigation of a research character if so requested; and to have The American City magazine sent for three years to five of the directors of the party of the first part.
- (n) To give the manager (or secretary) of the party of the first part the benefit of instruction at the Summer School of Community Leadership for three years without charge for tuition.
